

smartsewer INFRASTRUCTURE UPDATE

NEIGHBORHOOD SEWER REHABILITATION: BRUSH CREEK AREA 2

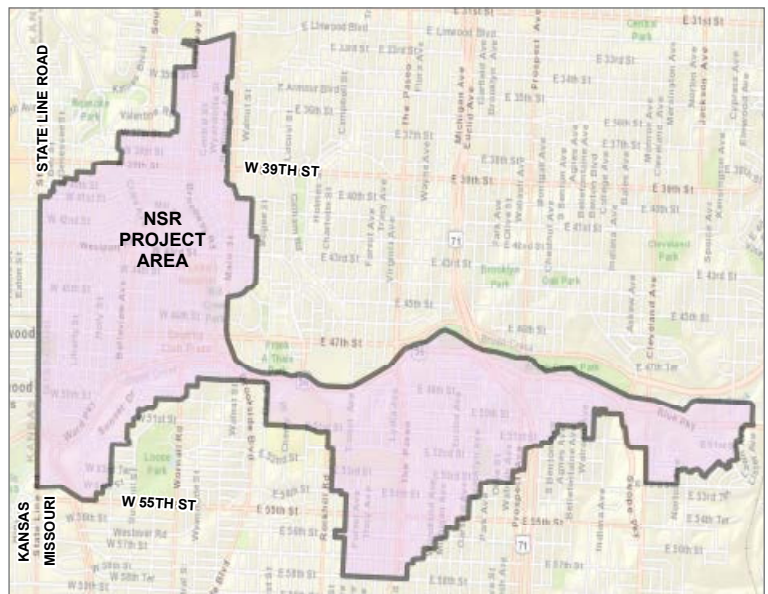

CONSTRUCTION SCHEDULED FOR: MARCH 2018 - SEPTEMBER 2019

The City of Kansas City, Missouri is working to construct important improvements to the wastewater system in your neighborhood. This project will rehabilitate aging sewers in your area to like-new conditions. The work will include restoration of sewer mains, service lateral connections and manholes. When complete, the project will improve service reliability, and lessen the frequency of sewer overflows and basement backups.

PROJECT AREA

YOUR NEIGHBORHOOD IS
IN THE BRUSH CREEK BASIN.
THE BOUNDARIES ARE:

- NORTH: 33RD STREET
- SOUTH: 58TH STREET
- EAST: LAWN AVENUE
- WEST: STATE LINE ROAD

NEIGHBORHOOD SEWER REHABILITATION: BRUSH CREEK AREA 2

WHAT'S BEING DONE?

The scope of work to be provided under this construction contract includes:

- Rehabilitation of approximately 33,000 linear feet of sewer mains ranging in size from 8 inch to 12 inch.
- Rehabilitation of approximately 1,000 service lateral connections.
- Rehabilitation of approximately 1,300 vertical feet of manholes.
- Replacement frames and covers for approximately 130 manholes.

WHAT'S THE TIMELINE?

Construction is anticipated to begin in March 2018 and end in September 2019.

WHAT CAN YOU EXPECT?

We appreciate your patience and support as we work to complete this important community infrastructure project. Customers will be notified in advance of pending disruptions, which may include:

- Temporary street closures
- Restoration of curbs, sidewalks, streets and yards
- Large equipment creating noise and dusty conditions
- Temporary sewer service disruption

WHO'S DOING THE WORK?

The City of Kansas City, Missouri will be assisted by Leath & Sons, Inc.

WHAT'S THE CONTRACT AMOUNT?

The budget for construction is \$7,934,815.

WHAT'S THE "CONSENT DECREE"?

In 2010, the City of Kansas City, Missouri entered into a Consent Decree with the United States Environmental Protection Agency to reduce the volume and frequency of overflows from the City's sewer system. Kansas City's Smart Sewer program is a 25-year plan to address this challenge. The Brush Creek Area 2 Neighborhood Sewer Rehabilitation Project is one piece of the Smart Sewer program and is required by the Consent Decree to be completed by December 31, 2020.
